*See also file: "White Petition Leesburg HS 1927 04 00 Teacher Appointment"*

*Although the petition referenced is not included in this file and the school(s) are not mentioned, we believe that the petition referenced above is the subject petition. Additionally, the Superintendent's Record of Teacher Certificates lists both instructors who taught at their respective schools during the 1926-1927 and 1927-1928 terms.*

*Ellen G. Metzger, 1868-1960, (33 years experience in 1927) was an instructor at Leesburg School. She taught at Leesburg during the 1926-1927 and 1927-1928 terms. The certificates record also shows that she taught only part of the 1928-1929 term.*

I am inclosing (sic) a copy of the petition which we discussed. Miss Metzger says she will do all she can to pacify those people if she is appointed for mathematics and history and Miss Stickley for Latin and they are inclined to create a commotion about it.

Very sincerely yours

Division Superintendent
