Because Bluemont was closed, due to pupil size. Patrons wanted teacher and pupils transported to Rock Hill.

Bluemont, VA

To the Board of Education

Dear Sirs:

On account of the enrollment of the Colored School at Bluemont being too small for a legal school, our school has been closed.

In view of this condition, we the patrons of the Bluemont Colored School, are asking the Loudoun County Board of Education to give us transportation for seven pupils, to Rock Hill School with the teacher; as she passes through Bluemont going from Purcellville to Rock Hill School.

We the undersigned persons believe that this request is reasonable.

Respectfully submitted,
